TERMS AND CONDITIONS OF SALE

With a view to holding price increases to a minimum we have fixed our hamper prices for the year as per the prices indicated in the brochure for each hamper. If however, the total cost of goods in these hampers rises by more than 15% (due to Brexit or any other reason) the amount in excess of this increase will be passed on to the customer by way of a surcharge, which will be notified to you. In the event that you are unwilling to accept the surcharge you may cancel the order. In this event all monies collected by our agent will be refunded less a collection administration charge of 10%. The company reserves the right to change any item listed in the brochure and replace it with goods of an equal value and quality. Every effort will be made to supply the goods as listed. Cancellations will incur an administrative charge of 15%. All hampers must be paid for before delivery. Frozen hampers are delivered from late November. Boxed food hampers are delivered in early December. Turkeys and Hams are delivered on December 22nd.
